

Our Irish theme for this week is An Scoil and is based on Unit 15 of the Bun go Barr book.

Please see below a list of new vocabulary that your child can become familiar with, through practice, over the next week. A lot of these words and phrases your child should hopefully already understand.

Look at the poster below and discuss it, incorporating the new vocabulary.

Use these three simple instructions /questions to discuss the poster:

1. Inis dom rud amháin ar bith faoin bpóstaer. (Tell me anything at all about the poster).

*If your child can give you sentences or attempt to give you sentences about the poster, that is great work. Be sure to praise effort. It doesn't have to be 100% correct. Once he/she is trying, that is the main thing.

2. Cé atá ag _____ scríobh / léamh / troid / etc? (Who is _____ writing / reading / fighting etc?)

Freagair (answer): Tá _____ ag scríobh / ag léamh etc.

3. Taispeáin dom duine sa phictiúr atá ag gáire / ag léamh / ag péinteáil / ag obair ar an ríomhaire etc. (Show me somebody in the picture who is laughing /reading / painting / working on the computer etc.)

** Repeat the above exercise / question and answer sessions (based on the poster and the reading) orally each day for about 10 minutes at the beginning of your Irish session (5 minutes on the poster and 5 minutes on the pictures in the book). Please encourage your child to answer using FULL SENTENCES rather than just giving one-word answers such as tá or níl. You could also reverse roles and give your child the opportunity to be the questioner.

***Apologies if the translations and instructions seem patronising. It's hard to know how much/little guidance people want so I am erring on the side of caution.

****See recommendations in suggested timetable for how to divide up the week's work.
