

Scavenger Hunt Activities around the House

These fun scavenger hunts are designed to be completed inside the house or in your garden or balcony.

Texture Trail

Find all the patterns and textures you can on this texture scavenger hunt. Take a crayon and piece of paper with you and make a rubbing of the interesting patterns you see. Can other family members guess what object the pattern is from?

Alphabet Hunt

Working through the alphabet, can you find an object which starts with each and every letter?

Number Search

Using the number cards on this page, find anything of which there are that number. You could cut out the cards and pick one, or go from 1 to 10 and colour in each number once you've completed that challenge. Can you look around the house for that number of any object? For example, I selected card number four. What can I find four of in my bedroom?

Move It!
