# Parents

This week we are learning two sounds 'ow' as in grow and 'ew' as in flew.

We have two new tricky words, were and because.

I have also made 3 choice boards with a variety of activities:

1. English
2. Maths
3. Water and Pirates

Anything I have linked will look like **this** in this powerpoint. If any of the links are not working please let me know so I can fix them.

Please contact me if you have any queries about the content or ways to help your child at home.

# Tuesday

- Click on this [ow](#) link and read the ow words here →
- Write ow at the top of your page. Make a list of ow words.
- (Parents call out words and ask your child to sound out word and count how many sounds on their fingers before writing.
- E.g. flow = f-l-ow = 3 fingers = 3 sounds but there are 4 letters in the word).

# Tuesday

Copy the tricky words into your copy/page/whiteboard.

or

Make the words using magnetic letters or playdough.

# Wednesday

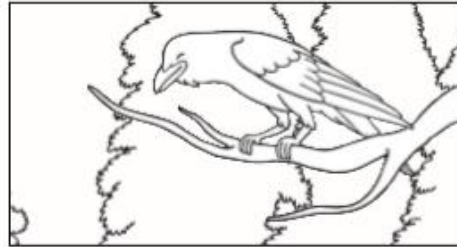

1. Can you remember any **ow** words from yesterday?

2. Click on this **ow** link to revise the **ow** words.

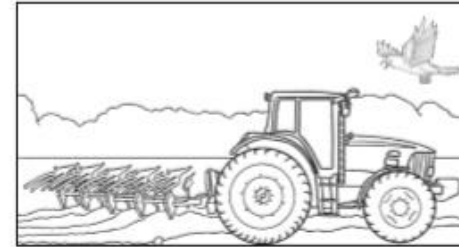

3. Read the **ow** story 'The Crow in the Snow'. (if you print it you can highlight or colour all of the **ow** words, just like we do in class).

Write 2 sentences with **ow** words or make a story with as many **ow** words as you can.

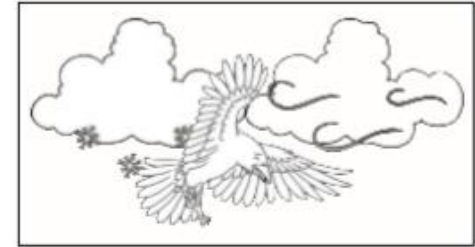

## The Crow in the Snow

This crow wants to grow. This crow wants to show how high she can go.

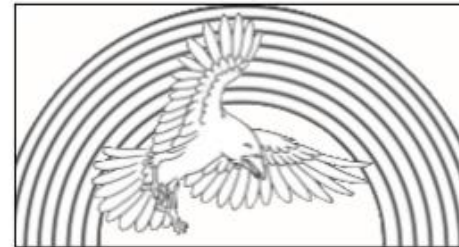

This crow flaps up high. She sees so much below! She sees the farmer mow. She sees her shadow.

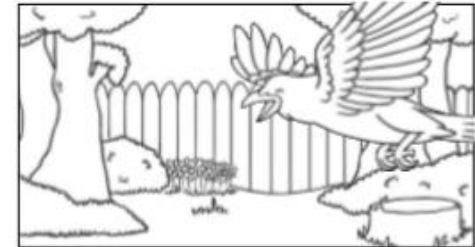

Just then wind starts to blow... It starts to snow! The wind blows the snow and the crow. Oh no!

The wind and the snow blow the crow past a window. "Hello crow!" says the kid at the window.

Then the crow sees a rainbow! The snow stops and the wind starts to slow.

At last, the poor crow can fly low. The crow is glad she is not in the wind and the snow! But she is glad she showed how high she can go!
